In our prayers we think of all our families, friends and neighbours especially during this pandemic. We pray for Tony and Dalveen, for Dick and Sally, for Revd David Coleman. We also continue to pray for all NHS staff everywhere and for people whose surgery has been unavoidably delayed due to Covid

Slowly, slowly we are beginning to emerge from hibernation. Everything seems better when the sun shines – as long as we get rain as well, preferably overnight! The birdsong has been beautiful. I've actually begun to ignore the raucous screeching of the rooks – I was going to mention how this transformation has happened but Ian doesn't think I should bore you with the antics of Rick the Rook or Charlie the Chaffinch. So I won't.

And hugs are back!!! And Tomasz Schafernaker has decided to keep his long hair. Things can only get better. *Pat*

George Nympton Village Hall, Registered Charity No: 267038

Our first Village Hall event this year is an outdoor social. We are ahead of the anticipated announcements for 21st of June so current regulations still limit us to a maximum of 30 people and maintain safety, so it is essential that you email or phone either Adele or myself before 7th June to book your places. The event is free (but donations welcome) and we look forward to meeting you there. *Ian*

Culverhill

Having ridden in a hailstorm last week, it is wonderful to be out in the sunshine this weekend. This time last year we were hay making, and let's hope it's not too far away now.

Nearly all of the horses are now on their holidays, the only few remaining in training being the two year olds being broken in and a few three year olds

who are in pre-training. We are six months behind on some of our work as the sales were all late due to the pandemic.

We finally managed to navigate the Brexit rules and, after jumping through innumerable hoops, have our first runners at Compiègne in France. Bingo then won with Chester riding, so a huge success! Hopefully it will be a bit easier next time. *Jane Williams*

Village Hall

We repaired a leak in the roof of the main hall and are progressing with plans to refurbish the bar and to replace the doors and windows in the main hall. Work starts in mid July.

The small hall is unaffected and is now available for bookings by small groups conforming to Covid regulations—book via Clare at 579144

Summer Show

As a result of the building work taking place in the Village Hall during the summer, the Horticultural Committee has decided to delay this year's Summer Show. We hope to run an Autumn Show instead on Saturday 4th September, so save some seeds back for later sowings of veg. If you won a perpetual cup in 2019 feel free to keep it until the date above. We intend to send out schedules with the July newsletter, Covid regulations permitting. *Trisha Ford*

Church News

At our annual PCC meeting last month **Trudy Herniman** was elected as Church Warden in addition to myself and is a welcome support! We have also had our 5 year inspection and I await the report with some trepidation as inevitably we will have to pay out for some repairs. *Ian*

Church Services

The church is now open for private prayer each Wednesday 09:00 to 17:00 and we are holding Sunday services on June 13th and 27th. From the start of July we intend to hold Sunday services each week—all at 09:30 **Please contact Ian if you wish to attend the service** as we still need to track and trace.

There is a Holy Communion service each Sunday at 9:15 at St Mary Magdalene, South Molton—if you would like to attend, please email Michael at m.grandey@talk21.com

There is a also service each Sunday at 11:00 on Zoom which is well attended, and all are welcome. Email Michael to get log-in details. Further information is at www.missioncommunity.weebly.com
